## **Meeting Minutes – January 11, 2016**

2. Commissioner Bowman stated that the MRFPD has a safety deposit box at US Bank which holds titles to vehicles owned and other documents related to real property owned by the District. The safety deposit box has not been accessed for approximately four years. The cost of renting the box has increased from \$20 a year to \$27.50 a year and the bank is also requiring a new signature block which needs to be approved by the Commission. The approved signers would then need to meet at the bank to sign the new signature card. Commissioner Bowman suggested the District pay the \$27.50 annual fee and that the Fire Chief and the MRFPD Treasurer be the ones on the list of signatures. It was suggested that the board do an inventory of the box to see if it is even worth keeping or if it can be cleaned out. It was decided that Commissioner Bowman and Chief Niemeyer meet at US Bank and do an inventory of the box within the next week and a decision will be made at the February meeting to either discontinue the use of the box or pay for another year. The next payment for the annual rental fee of the safety deposit box is not due until mid-February.
3. Chief Niemeyer discussed the power of GIS and how by using it, we are able to better determine and forecast where the next stations in our district should be built. Chief Amenn has been using this program to analyze growth in our district to predict which station should be built next. Current analysis, with conditions being as they are today, indicates the next station should be built near south Meridian Road closer to Kuna. This however, is subject to change as developments go in and future analysis is done.

Motion was made and seconded to adjourn the January 11, 2016, meeting of the Meridian Rural Fire Protection District. Motion approved. The meeting was adjourned at 7:30 p.m.
