CABLEONE MOVIE NIGHT IN MERIDIAN KICKS OFF 10th SEASON JUNE 3

MERIDIAN - The tenth season of CableONE Movie Night in Meridian gets underway on Friday, June 3 with thirteen family friendly movies planned for the summer. The event runs every Friday (June – August 26) in Settlers Park. The movies begin at dusk, but families are invited to come early and grab a bite to eat from the onsite food vendors, offering choices such as hotdogs, hamburgers, real fruit smoothies and fresh popped kettle corn.

CableONE Movie Night sponsors offer a variety of activities before the movie begins each night. The Meridian Library District opens the series with the Summer Reading Kick-Off event from 4:00 – 8:00 pm on Friday, June 3. The community is invited to learn more about a summer long reading program that includes incentives.

Settlers Park also features built-in activities to get kids moving including the Adventure Island Playground with a splash pad, a climbing rock, a sound garden, and Idaho's first universally accessible playground area.

"CableONE Movie Night in Meridian has been a resounding success and the envy of communities' nation-wide," said Colin Moss, Meridian Recreation Manager. "We are thrilled to offer these *free family friendly* movies to inspire our community to enjoy the fresh air, meet new neighbors and play together in Settlers Park."

Movies are projected onto a 30-foot inflatable screen in a roped off seating area within the park. Blankets and low-backed chairs are encouraged for front row seating, but regular chairs are permitted on the sides and rear seating areas. Aside from the movie area, the park closes at dark and all minors (anyone under 18 years of age) must be accompanied by adult.
