MERIDIAN – Mayor Tammy de Weerd will deliver the Meridian State of the City address one week from today on Wednesday, February 3, 2016, at 3:59 p.m at Meridian Middle School (1507 W. 8th Street). The event, presented by United Heritage will highlight City and community accomplishments from 2015 and set the stage for Meridian’s future. The theme of the presentation is “Building Meridian Together”.

“As a community we have come together to make some truly amazing things happen in Meridian that we need to celebrate. We also have much to do if we want to continue to be the best community in America,” said Mayor De Weerd.

During the address, Mayor De Weerd will also present the Legacy Award to a couple in the community who, together, have demonstrated a long-time commitment to Meridian by building a legacy for future generations.

The event will conclude with the Taste of Meridian reception immediately following the address. Taste of Meridian offers a sampling of food from nine of Meridian’s most popular restaurants showcasing items from their menus for those who attend the address.
