		<p>1. West Ada School District is going through a lot of changes in the behavioral health and social services area. They are interested in more prevention work. Looking at current policies to update. Follow up meeting in January.</p> <p>2. Northwest Alcohol Conference at End of July. Danielle will check and see if MADC can have a vendor table for free.</p> <p>3. Possible opportunity to partner on <a href="#">Train the Trainer Life Skills</a> courses for Elementary, Middle, and High Schools. Kendall and Danielle will communicate.</p> <p><b>(Brenda)</b></p> <p>1. Making progress but still looking for government entity to hold funds for Region 4 Behavioral Health Board (R4BHB). Money is there but cannot be used. There is 30K set aside for administrative support to manage the funds.</p> <p>2. Working to continue to build a collaboration between MADC and the Region 4 Behavioral Health Board (Kendall- Hailey will reach out to Brenda to attend meetings.)</p> <p><b>(David)</b></p> <p>1. Community Coalitions of Idaho (CCI) participated and provided support during Red Ribbon Week, and hosted two educational guest speakers for both students and parents at various locations.</p> <p>2. CCI participated in, "Giving Tuesday", for which they are still accumulating funds and will be distributing them to various entities in need of financial support.</p> <p>3. CCI will be hosting upcoming workshops and trainings with a focus on the LGBTQ+ community. More information to come soon.</p> <p><b>(Nate)</b></p> <p>1. Helped support and organize the Sticker Shock campaign with the National Honor Society</p> <p>2. Currently working on creating a new Natural High PSA video. More information to come soon.</p> <p><b>(Joe)</b></p> <p>Interested in participating in MADC and will be looking at how he could potentially promote MADC events on his <a href="#">Facebook page, Treasure Valley Crime &amp; Community</a>.</p> <p><b>(Dominic)</b></p> <p>1. As a community member, Dominic expressed his appreciation for what the MADC is doing to educate the community and prevent substance use within our community.</p> <p>2. Shared his goal to continue <a href="#">producing documentaries</a> that focus on substance abuse prevention with the focus of getting the information in front of youth.</p>
4:35	<b>Kendall Nagy, Director:</b>	<b>(Staff)</b> social media oversight, graphics and web updates, restocking resources, grant reporting & applications, researching evidence-based prevention programs (K-12), attending trainings
