Project Description: LIFE FLIGHT OFFICE T.I. - We are proposing an existing minor tenant improvement located at 1550 W. Overland Road STE 105, Parcel No. S1213347115. The tenants, Life Flight, are making some improvements to the interior of the existing suite to accommodate their business' needs.

The door at the entry to the suite will be replaced with glass doors with a transom above. A generator will be added to the northwestern corner of the building on the site. All restrooms will remain the same. The existing offices will remain the same along the north side of the building. A few offices will be added to the space along with a communications center and a breakroom. The breakroom will require plumbing for a coffee machine, two refrigerators, and a dishwasher. The large conference room will feature an operable wall with the ability to divide the space into two separate spaces. Lighting and floor finishes will be improved when necessary.

The existing tenant space is 10,500 square feet. No additional space will be added to the existing suite. The use of the existing tenant space is to remain as a business occupancy. The exterior of the building is to remain the same.

Should you have any questions or concerns regarding this project and the provided documents, please feel free to contact me at your earliest convenience. We are grateful for your time and consideration on this project and look forward to your approval.
