Message from the Director

While spring has already teased us with some occasional warm weather and sunshine, it won't be long before summer begins in earnest and school lets out for the summer. Fortunately, we have a full slate of classes, camps, activities and special events for your family to look forward to this summer.

We'll be kicking things off with our annual *Unplug and Be Outside* celebration on May 10 in Kleiner Park — think of it as a family play date in the park that celebrates being in the great outdoors.

Other traditional summer favorites will return, as well, including our *Sparklight Movie Nights* in Settlers Park and the *Connections Credit Union Kleiner Park Live* free concert series at the bandshell.

We'll also introduce some new amenities I think many folks will appreciate, including new public art in Chateau Park and a pair of new on-course restrooms at Lakeview Golf Course which will be ready in time for summer. We'll also be breaking ground soon in Discovery Park for a new Ninja Warrior-type challenge course which was among the final wishes of young cancer patient Eva Plimmer who advocated and fundraised for the course which will be built in her memory.

Hopefully the content of this guide will help inspire your family's plans for a fun and active summer. I hope to see you out and about this summer, enjoying Meridian's parks and pathways and all they have to offer!

youth financial assistance program:*

www.meridiancity.org/share

Through the Meridian Parks and Recreation Department's **Care Enough to Share** Program, financial assistance with registration fees may be available for children from qualifying families who are interested in participating in the classes, camps and activities offered through the department's seasonal *Activity Guide*.

Qualifying families residing within the City of Meridian can receive assistance for up to 80% of an activity fee or membership, for a maximum of \$250.00 per year/ per child (up to 18 years of age).

To be eligible, families must reside at an address within the Meridian city limits AND be receiving assistance through a program such as:

- Free or Reduced School Lunch
- Food Stamps
- Medicaid
- Energy Assistance

Documentation that the applicant is participating in an approved assistance program is required and must be provided with the application.

A parent/guardian can apply early to pre-qualify for funds for upcoming activities. A completed Care Enough to Share application form must be submitted at least two weeks prior to the desired activity or membership's start date or two weeks prior to the release of the next seasonal *Activity Guide*, whichever occurs first, in order to receive financial assistance. Parents/Guardians will need to fill out the residency information, and what type of assistance they are currently receiving, and, if known, which class, camp, activity or membership they would like to enroll their child in.

The Care Enough to Share application form can be completed online and submitted electronically at:
www.meridiancity.org/share.

The Meridian Parks and Recreation Department's seasonal *Activity Guide* describes all classes, camps, and activities currently being offered. Host Your Next Outdoor Gathering at Our Place!

Looking for a fun and unique location to hold an outdoor get-together? Meridian's City parks have picnic shelters in a variety of sizes ideal for casual meetings and celebrations for groups of up to 400 people!

While nearly all of Meridian parks have individual picnic tables you can use for free on a first-come, first-served basis for impromptu picnics, we recommend that you make a pre-paid reservation in advance if you wish to utilize one of our covered picnic shelters and its amenities on a specific date and time for a gathering or special event.

During 2025, picnic shelters are reservable from April 19 — October 12.

You can research your options, check availability, book and pay for a shelter reservation online at meridiancity.org/parks at any time, or with the assistance of our staff via telephone or an in-person visit to the 2nd floor of Meridian City Hall during our regular weekday business hours, which exclude major holidays.

All of our picnic shelters feature a shade covering, picnic tables, trash receptacles, charcoal grill, and nearby restroom facilities. Additional field space or sports fields may also be available to rent.

Park visitors are expected to adhere to all Park Use Policies and may be required to purchase additional permits when applicable.

Big or Small... You Must License Them All
