	<b>Drainage Calculations</b> – Reports and other supporting documents (non-drawing files) must be submitted as searchable PDF files or legible scanned documents and shall be uploaded as individual multipage documents.
	<b>Meridian Police Emergency Access (UDC 11-4-3-27G)</b> – See <a href="#">UDC 11-4-3-27G</a> and <a href="#">Meridian Police Emergency Access Spec. Sheet</a> for more information.
	<b>ACHD</b> – To help avoid delays, contact ACHD as you may be required to submit separately - (208) 387-6100.
	<b>CDHD</b> – If your project involves the storage, handling or manufacturing of food, your plans must be reviewed and stamped “Approved” by Central District Health Department prior to submittal to the City. This will help avoid delays, you may contact them for additional information 208-327-5211.
	<b>Warranty Surety Requirements</b> – Required to be submitted prior to CO. The surety application can be completed online through the Citizen Access Portal.

# Submittal Standards

- ◆ All plans must be submitted in PDF format.
- ◆ All plans must be submitted in Landscape format in the horizontal position & each sheet must be a different file.
- ◆ All plans must have a space reserved in the upper left corner for City Approval stamps.
- ◆ Resubmittals must use the EXACT same file name as the original.
- ◆ All plans must be drawn to scale and each sheet should state the scale.
- ◆ Plans must be submitted as individual sheets.
- ◆ Calculations, reports and other supporting documents (non-drawing files) must be submitted as searchable PDF files.
- ◆ Soils and Geotech report for support of the structure must be stamped and signed by an Idaho licensed engineer.

## Submittal File Naming Requirements

File Naming Standards allow for easy identification of drawings by naming convention.

- ◆ Files must be print ready, i.e. setup properly for printing with title block, no data outside the print page area, etc.
- ◆ Drawing file name must include the first characters of the discipline name, followed by the sheet number and name.
- ◆ The sheet name must clearly indicate the information found on the page.

## File Naming Examples for Commercial Projects

Discipline	Sheet ID	Sheet #	Example File Names
Cover Sheet	A0.0	1	A0.0_Cover Sheet
Index Sheet	A0.1	1	A0.0_Index Sheet
Landscape	L	1.1	L1.1_Overall Site
Erosion and Sediment	ESC	1	ESC1_ESC Plan
Architectural	A	2	A2.0_First Level Floor Plan
Structural	S	1.4	S1.4_Third Level Floor Plan
Plumbing	P	1.0	P1.0_Fixture Plan
Electrical	E	1.0	E1.0_Lighting
Mechanical	M	1.1	M1.1_First Floor Demolition
Civil	C	1.0	C1.0_Topographic Site Plan
Site Plan	SP	100	SP100_Site Plan
Interior Design	ID	1	ID1_First Floor Finishes
Life Safety and Master Egress	LSP	1	LSP1_Master Egress
