City Hall Information Desk:

Meridian's City Hall lobby is staffed by volunteers. It is a nice climate controlled setting and places you in the heart of city government.

Not only are you assisting new visitors in locating the correct department, but you also pick up a wealth of information that might be helpful to you as well.

Shifts are two hours in length and run Monday through Friday from 8 am to 4pm all year long. This task may be done alone or in pairs so you can make new friends.

Volunteer Outdoors!

Park Ambassador Program:

Assist us by being a Park Ambassador for Meridian's popular Julius M. Kleiner Park, located just east of Eagle Road and north of Fairview Avenue.

We have three hour shifts from 10 am to 9 pm, seven days a week. You may drive the electric car, ride a bike or walk the 60 acre park. It allows you to get some fresh air and if you like, get a few steps in, while giving back to your community.

We schedule in pairs, so find a buddy and sign up together.

This program is seasonal and runs from May until October only.
